Placement Cell

The Placement and Training Cell makes available placement opportunities for the final semester students of different programs in our College. It facilitates meeting between the agencies and students. Every year new companies which are front runners in their respective industries visit the campus for recruiting our students.

We welcome those organizations who express interest on their own to hold placement drives in our college.

placement cell is involved in:

1. Informs participants about the Placement, events and organizes and coordinates placement events.
2. In addition, the placement cell arranges workshops and orientation sessions to prepare the participants for the placement activities. These sessions help the participants in areas such as writing an effective curriculum vita, attending the interviews and taking part of group discussions. Many of our students have been selected in various forms.
